Scoring Logic

1. Count how many times each letter appears in your answers.

A - Coffee Bean

B - Vanilla Bean

C - Chilli Bean

D - Jelly Bean

E - Green Bean

2. The letter with the highest count determines your bean personality.

3. If there is a tie, choose the personality that feels most like you.

Result Descriptions

Coffee Bean

Curious, analytical, and thoughtful.

You love understanding how things work and observing the world deeply. Even when you're quiet in a room, your mind is full of ideas and questions.

Vanilla Bean

Energetic, adventurous, and optimistic.

You're always chasing the next experience and inspiring others to do the same. Life feels like something to explore, not overthink.

Chilli Bean

Bold, fiery, and unapologetically authentic.

You say what others hesitate to say and aren't afraid to challenge the status quo. People may find you intense — but they always know you're real.

Jelly Bean

Playful, extroverted, and socially magnetic.

You bring energy, laughter, and chaos to every group you're in. With you around, ordinary moments somehow turn into unforgettable stories.

Green Bean

Calm, mindful, and emotionally grounded.

You're the quiet balance in the group — the one people turn to when things get overwhelming. Your presence reminds everyone to slow down and breathe.
